CALIFORNIA TRANSPORTATION COMMISSION ALLOCATES \$1.7 BILLION TO EXPAND STATE'S ECONOMY AND UPGRADE TRANSPORTATION

Inland Empire – The California Transportation Commission (CTC) yesterday allocated \$1.7 billion in funding for transportation projects that will strengthen the state's economy by sustaining and creating jobs and provide congestion relief for motorists statewide.

"The benefits these projects bring to California are a huge boon to the economy, and the investment in our transportation system will continue to serve motorists for generations to come," said Caltrans Director Malcolm Dougherty.

Approximately \$872 million of the funding was provided by Proposition 1B, a transportation bond approved by voters in 2006. In total, more than \$13 billion in Proposition 1B funds have been distributed statewide.

Some of the notable projects that received funding in Caltrans District 8 include:
